Program Evaluation Report
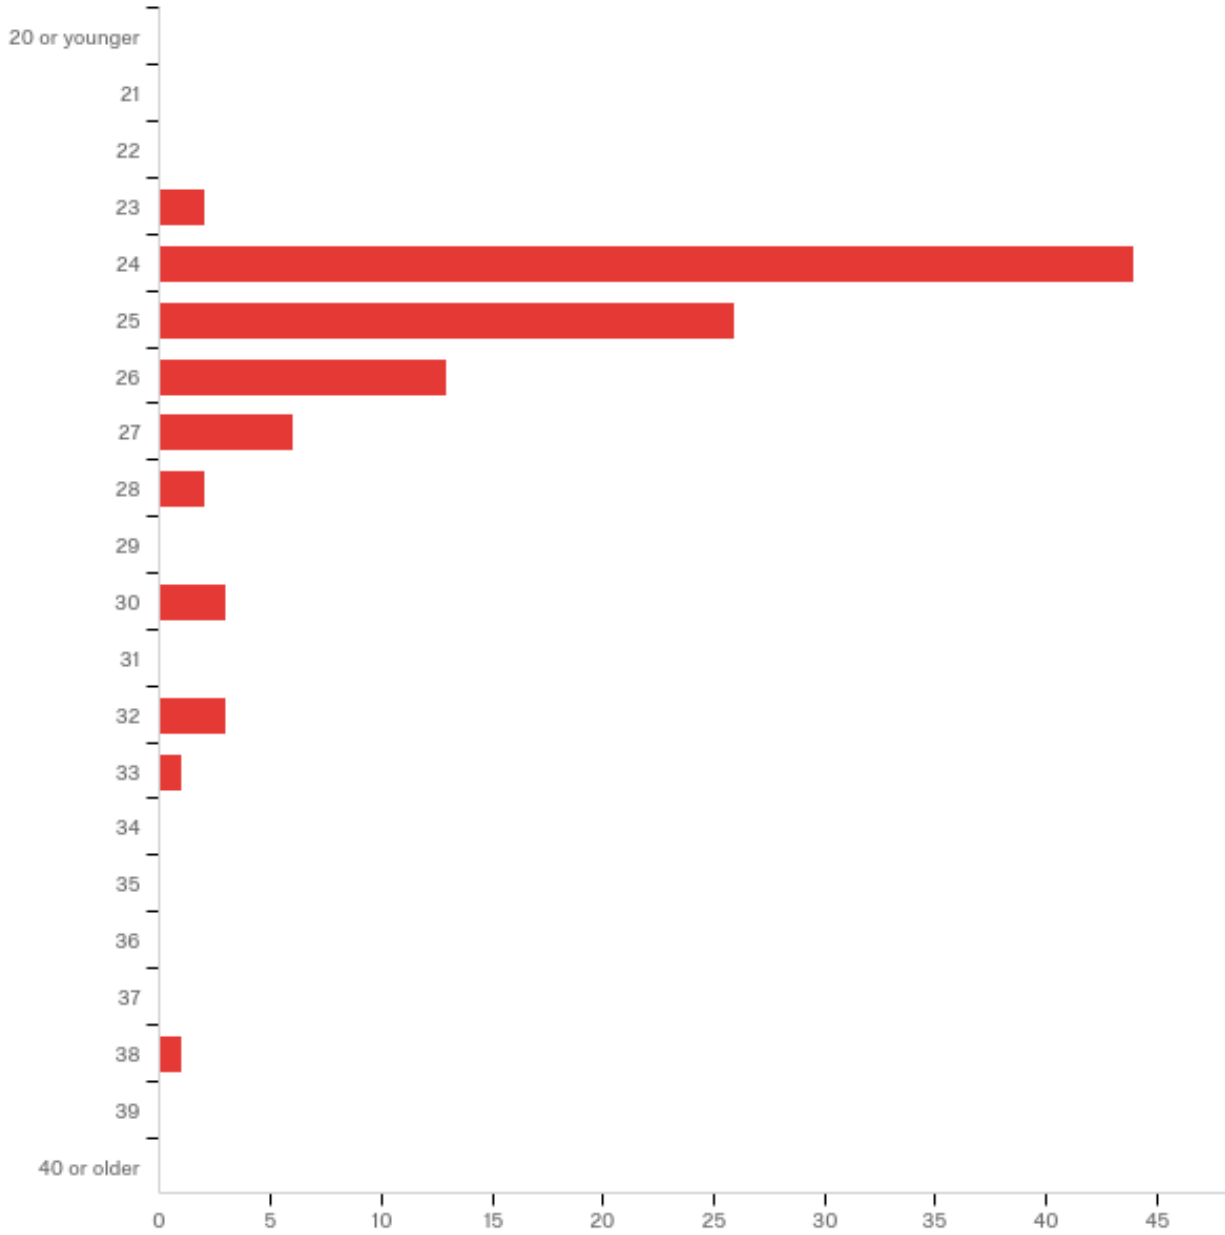

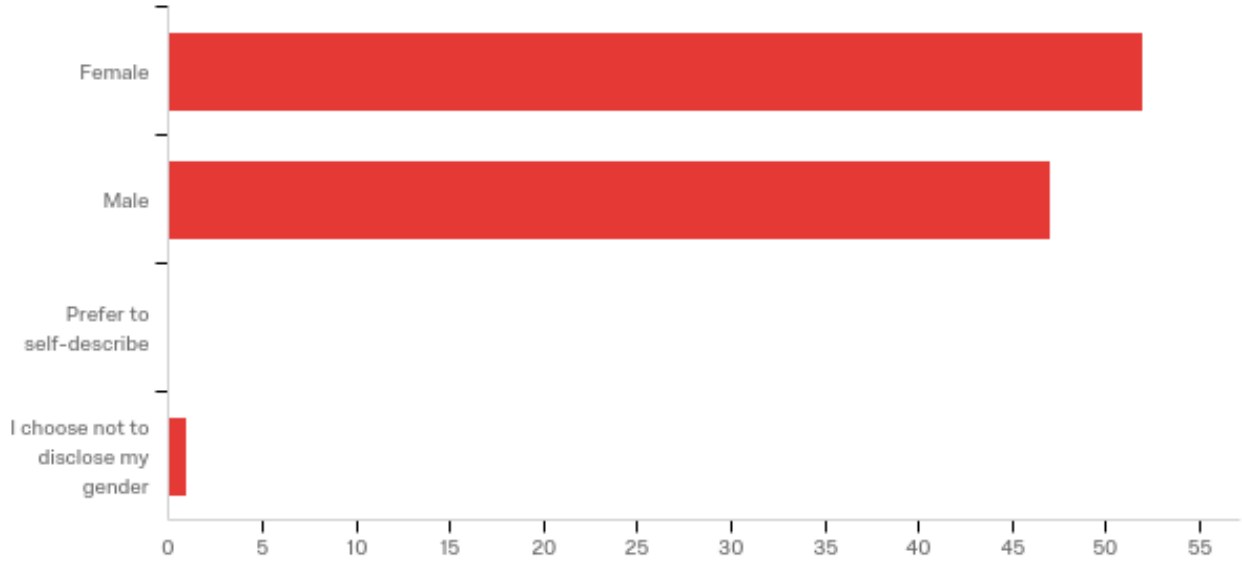

Mid-Year Simulation Survey 2018
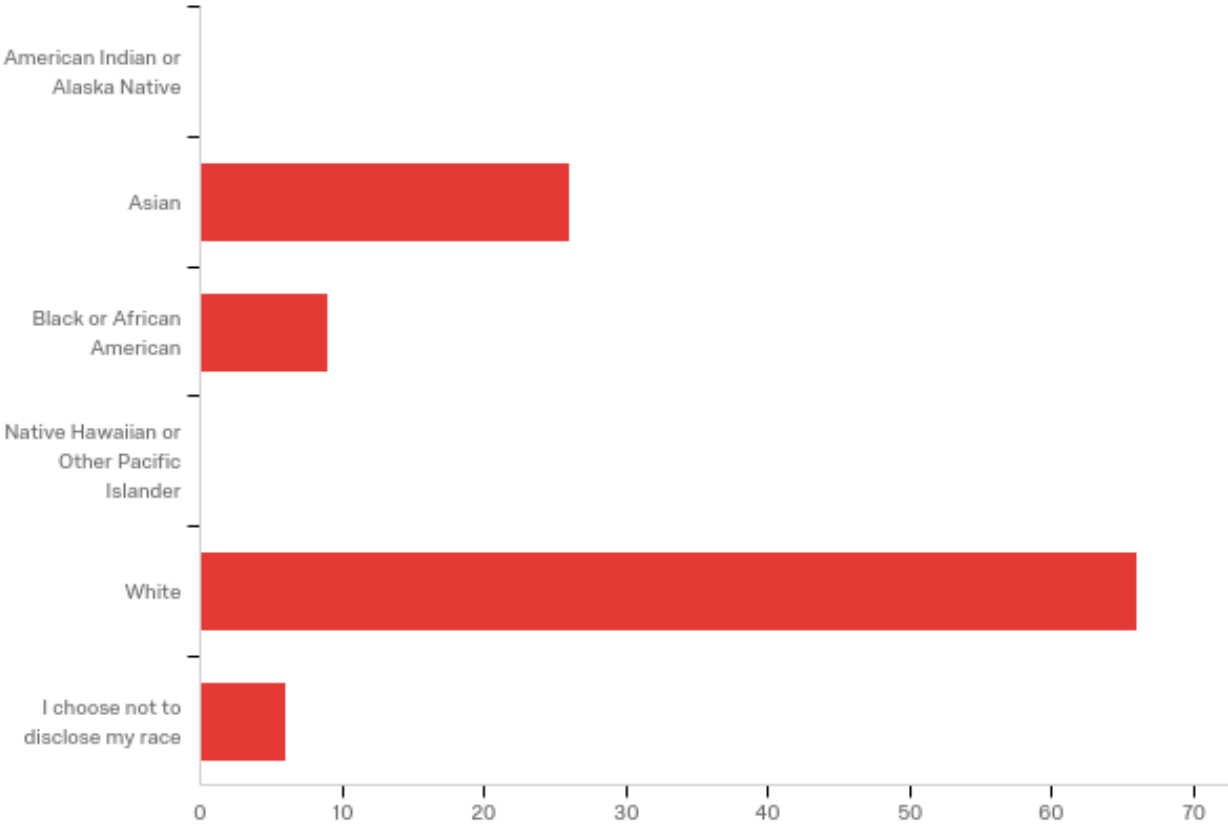

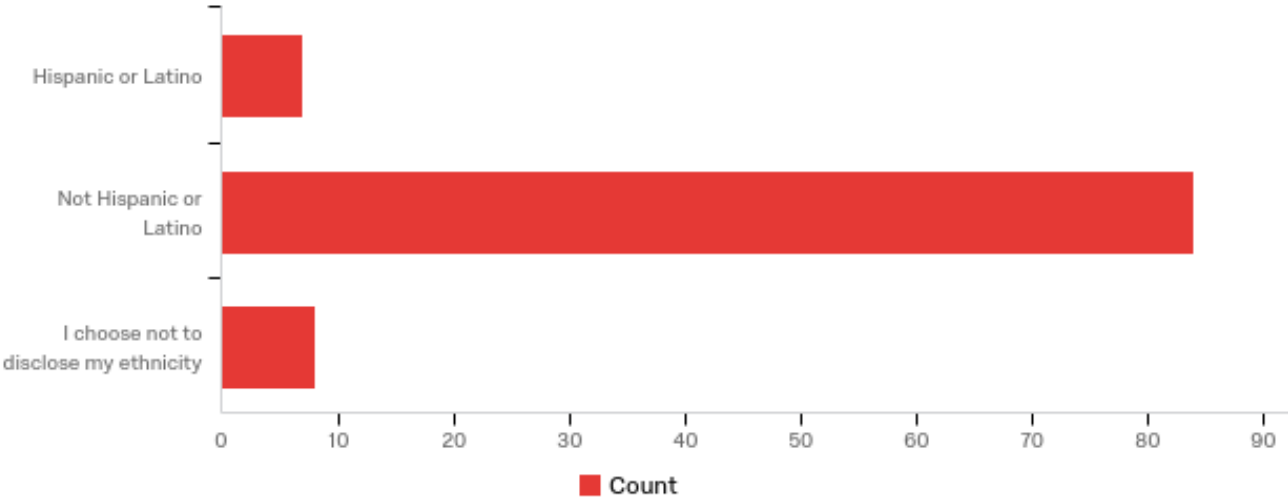

Q3 - Age

Q4 - Gender

Q5 - Race (select all that apply)

Q6 - Ethnicity

Q7 - Did you have any hands-on clinical experience prior to the start of medical school (excluding shadowing)?
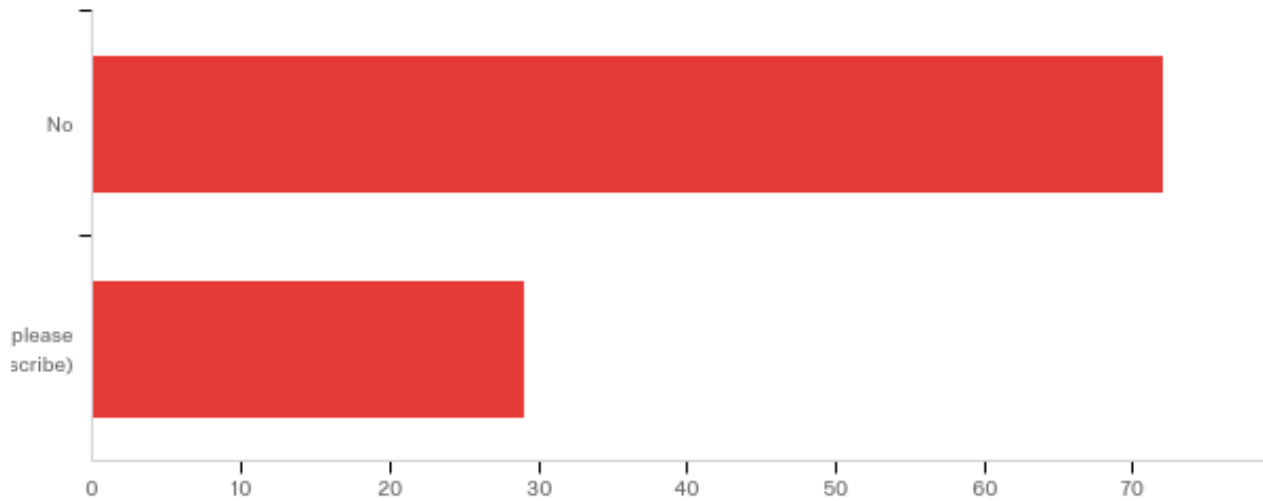

Yes (please describe)

scribe
Biomedical technician
medical assistant in peds office
I worked for 10 years in a hospital setting
ED Scribe
Medical assisstant
Heme/Onc Scribe
shadowing urgent care
previous Army medic; worked in an emergency department for 2 years
CNA for 2 yrs
Emt
Emt basic
Ophthalmology scribe
Emergency Medicine Scribe
doula
Volunteered at free clinic
Registered Nurse
Shadowing

EMT-A working in 911 operations
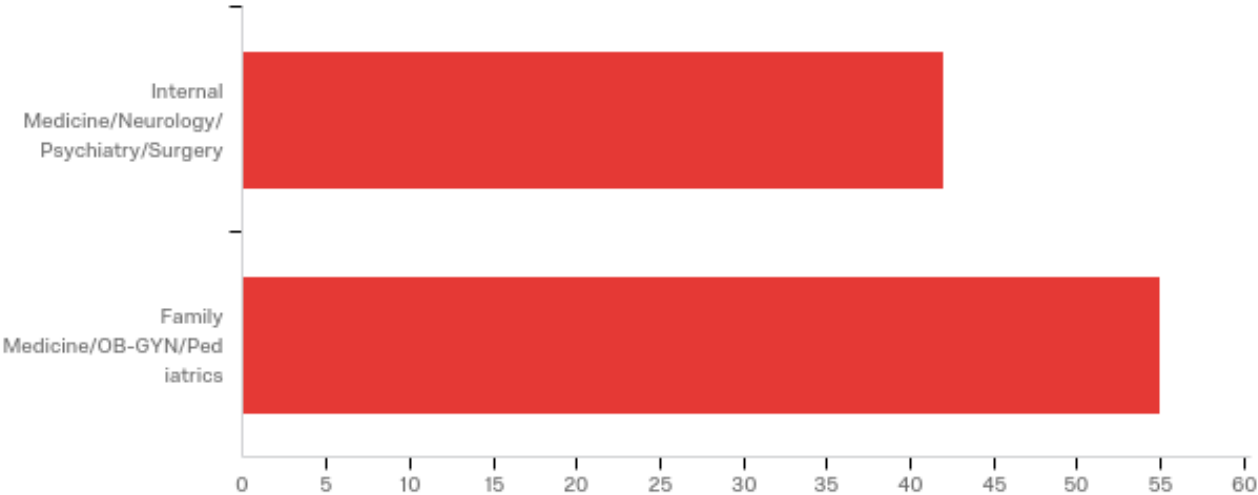

Pediatrics, OBGYN, Family Medicine
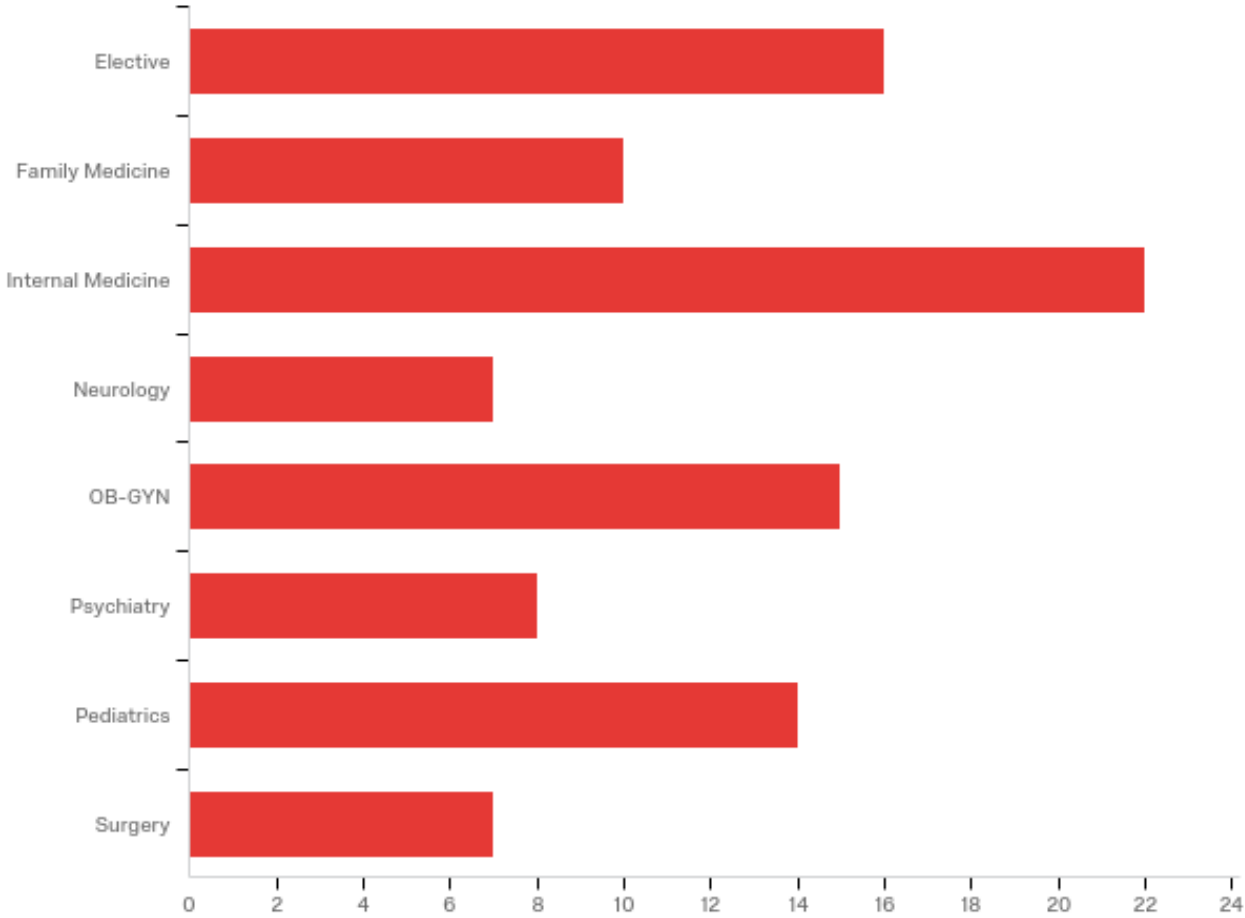

100 hours of shadowing

Respiratory Therapist
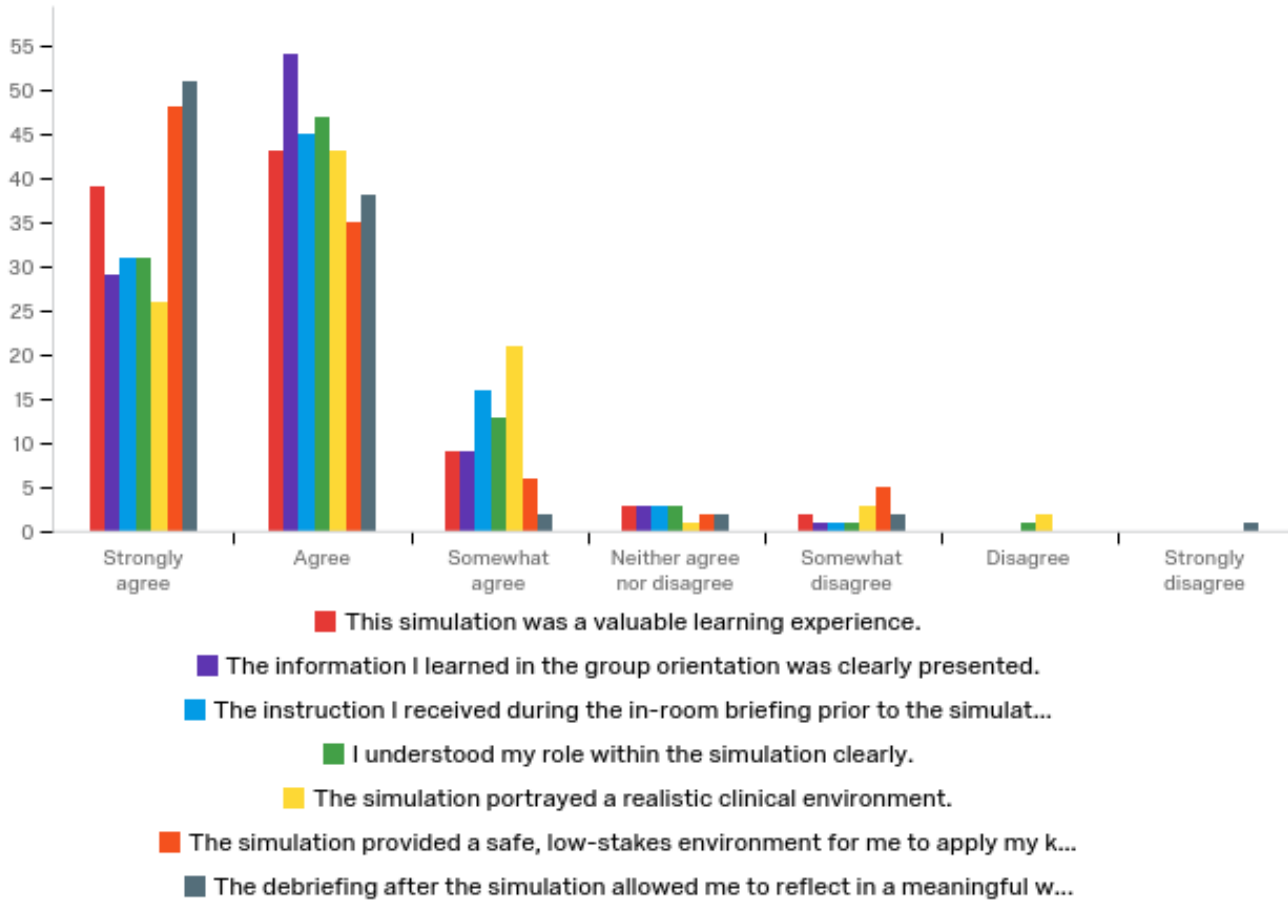

Rotations

pediatric medical assistant

Q9 - Which clerkship block did you just complete?

Q10 - Which clerkship did you most recently complete?

Q11 - Please indicate your level of agreement with the following statements.

- ■ This simulation was a valuable learning experience.
- ■ The information I learned in the group orientation was clearly presented.
- ■ The instruction I received during the in-room briefing prior to the simulat...
- ■ I understood my role within the simulation clearly.
- ■ The simulation portrayed a realistic clinical environment.
- ■ The simulation provided a safe, low-stakes environment for me to apply my k...

#	Question	Strongly agree	Agree	Somewhat agree	Neither agree nor disagree	Somewhat disagree	Disagree	Strongly disagree
1	This simulation was a valuable learning experience.	40.63%	44.79%	9.38%	3.13%	2.08%	0.00%	0.00%
2	The information I learned in the group orientation was clearly presented.	30.21%	56.25%	9.38%	3.13%	1.04%	0.00%	0.00%
3	The instruction I received during the in-room briefing prior to the	32.29%	46.88%	16.67%	3.13%	1.04%	0.00%	0.00%

	simulation prepared me to successfully navigate the scenario.						
4	I understood my role within the simulation clearly.	32.29%	48.96%	13.54%	3.13%	1.04%	1.04%	0.00%
5	The simulation portrayed a realistic clinical environment.	27.08%	44.79%	21.88%	1.04%	3.13%	2.08%	0.00%
6	The simulation provided a safe, low-stakes environment for me to apply my knowledge and skills.	50.00%	36.46%	6.25%	2.08%	5.21%	0.00%	0.00%
7	The debriefing after the simulation allowed me to reflect in a meaningful way (e.g., on my performance, skills, or assumptions).	53.13%	39.58%	2.08%	2.08%	2.08%	0.00%	1.04%

Q12 - Please indicate your level of agreement with the following statements.
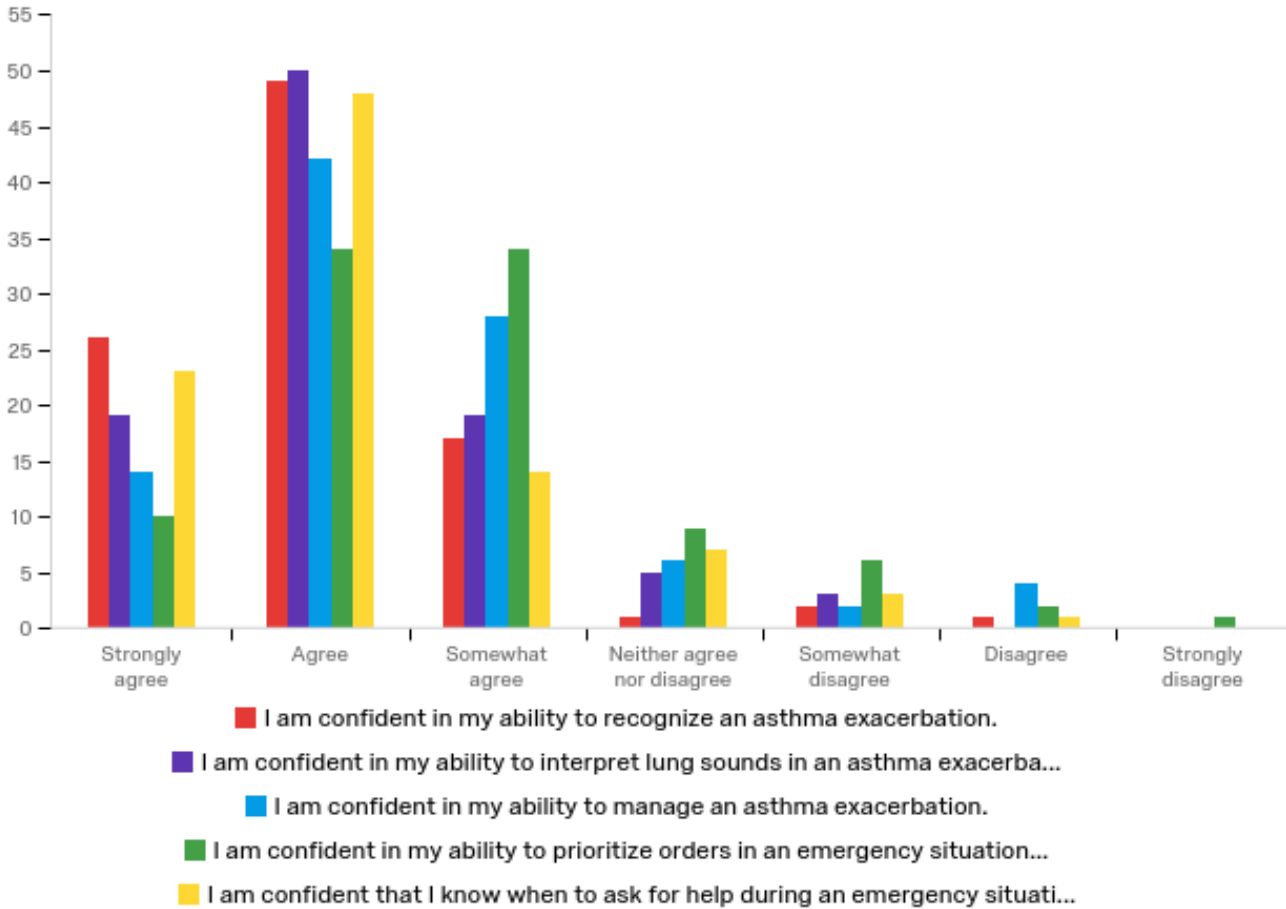

Legend:
- I am confident in my ability to recognize an asthma exacerbation.
- I am confident in my ability to interpret lung sounds in an asthma exacerba...
- I am confident in my ability to manage an asthma exacerbation.
- I am confident in my ability to prioritize orders in an emergency situation...
- I am confident that I know when to ask for help during an emergency situati...

#	Question	Strongly agree	Agree	Somewhat agree	Neither agree nor disagree	Somewhat disagree	Disagree	Strongly disagree
1	I am confident in my ability to recognize an asthma exacerbation.	27.08%	51.04%	17.71%	1.04%	2.08%	1.04%	0.00%
2	I am confident in my ability to interpret lung sounds in an asthma exacerbation.	19.79%	52.08%	19.79%	5.21%	3.13%	0.00%	0.00%
3	I am confident in my ability to manage an asthma exacerbation.	14.58%	43.75%	29.17%	6.25%	2.08%	4.17%	0.00%

4	I am confident in my ability to prioritize orders in an emergency situation.	10.42%	35.42%	35.42%	9.38%	6.25%	2.08%	1.04%
5	I am confident that I know when to ask for help during an emergency situation.	23.96%	50.00%	14.58%	7.29%	3.13%	1.04%	0.00%
